

The 40 Best Hotels in New York City: Readers' Choice Awards 2016

HOTEL

HOTEL CHANDLER

115 ROOMS

This 138-room Flatiron District hotel dates to 1905; and thanks to a major renovation in fall 2013, it's reliving its glory days while still being feeling fresh and modern with its amenities and technology. The building's limestone façade was restored to its original excellence, and interiors now reflect a blend of artsy pizzazz and contemporary elegance.
