**Description** Triumph Hotels, a collection of seven boutique hotels in Manhattan, has partnered with up-and-coming pen and ink artist Kelsey Montague to bring guests accessible, interactive and Instagramable art. From August 2-5, 2015, Kelsey will take residence at The Evelyn Hotel to construct the piece in the lobby, which will be open to guests and locals alike to witness the creation firsthand. The commissioned 11'x19' piece will incorporate whimsical elements of NYC and be fine-tuned to engage Instagram's art and photo community — an intersection of fashion, art, travel and pop-culture. Triumph will celebrate the final "unveiling" with a cocktail event at The Evelyn Hotel on Wednesday, August 5.
