Black Friday-Cyber Monday: 10 hotel deals worth checking out

NOVEMBER 17, 2014, 8:15 AM

If you go into travel-planning mode as soon as Thanksgiving dinner is over, knock yourself out with these 10 hotel deals coming up over Black Friday and Cyber Monday.

No need to leave the house to book a \$99 room at the Hard Rock Hotel San Diego or a \$149 room at the J.W. Marriott Camelback Inn & Resort in Scottsdale, Ariz. Lots of hotels participate in the post-holiday discount fest -- and you should too if you're ready to plan a break for winter and beyond.

Some caveats: Before you book, read the fine print on the deal you're after. The prices below in most cases reflect a discount off the hotel's best available rate. Tax and resort fees are extra. Blackout dates may apply, and the deal is based on availability.

New York City: Welcome to something called the "power hour," which stokes Cyber Monday savings at boutique hotel brand **Triumph Hotels**. Book Dec. 1 and you'll find a 30% discount on rooms at the Iroquois New York, Hotel Chandler, Hotel Belleclaire, the Cosmopolitan, the Gershwin and the Washington Jefferson. Reserve during the power hour -- 1 to 2 p.m. Pacific time -- and get 50% off. Stays are good Dec. 2 to March 31.
