THE KEY TO NEW YORK CITY DEAL

Six New York City hotels — the Iroquois New York, Hotel Chandler, Hotel Belleclaire, the Cosmopolitan, the Gershwin and the Washington Jefferson — have banded together to form Triumph Hotels. In honor of the new brand, guests who stay at least three nights have their choice of a free neighborhood experience.

The deal: It's called the Key to New York City package and features six add-on experiences based on where hotels are located. Guests may go on one of the outings or choose one-way car service between the hotels and any of the city's three airports. If you're staying at the Washington Jefferson near the theater district, you'll get an insider Radio City Music Hall tour and \$50 certificate at Maria Pia restaurant; in Tribeca at the Cosmopolitan, 24 hours of Citi bike rentals, \$20 credit at a coffee shop and two tickets to Tribeca Cinemas. The offer is good for reservations made by June 30.
