Want to get *on fleek* for Fashion Week? You'll need to be camera ready at all times, y'know, in case of street-style photographers. That's why Pucker Makeup Studio teamed up with Triumph Hotels to give your mug a free makeover. Pucker artists are setting up shop inside each of the chain's seven hotels (the Evelyn Wednesday 9, Hotel Chandler Thursday 10, Hotel Belleclaire Friday 11, Hotel Edison Monday 14, the Iroquois Tuesday 15, the Cosmopolitan September 16, and Washington Jefferson September 17), but get there early—touch ups are first-come, first-served.
